3 Declaration

By signing this document, you declare that your ship contains prohibited asbestos, as determined by the investigation referred to under 1.2. You are also declaring that you will do everything in your power to avoid exposing the crew and third parties to asbestos. All documents mentioned in ItoRO no. 24 have been submitted together with this declaration. In addition, the exemption conditions (as mentioned in ItoRO no. 24 chapter 5) are met in full.

4 Signature

The undersigned declares that:

- he (she) has signed this declaration unconditionally and without any reservation;
- this statement is signed by the ship manager, as defined in the Seafarers Act or his authorized representative,
- he (she) complies with the provisions of the Working Conditions Act;
- he (she) assumes full responsibility for what has been submitted and that it meets the requirements as stated in ItoRO no. 24;
- he (she) will meet the relevant requirements for the entire period that the asbestos is not being remediated;
- if the responsibility as ship manager ends, he/she must inform the new owner about the presence of prohibited asbestos;
- if the ship remains under the Dutch flag, this must be reported to the ILT / NSI so that the relevant responsibility is transferred in a controlled manner.

4.1. Name

4.2. Position

4.3. Place and date

4.4. Signature

5 Annex

The following documents are enclosed with this statement:

- Asbestos Management Plan (AMP);
- Asbestos Investigation Report; and
